

SKILLS CERTIFICATE

E-COMMERCE FOR ENTREPRENEURS

Start this semester!

The Technology for E-Commerce and Entrepreneurs Certificate of Achievement is designed for students, aspiring entrepreneurs, and the general workforce who wish to become successful in today's dynamic business environment. Students will be able to apply e-commerce principles for immediate application of the technology tools in the business workplace or to launch a startup company or a home-based business. Students will also gain knowledge of social technology and its vital role in business, mobile applications, and concepts of e-commerce and logistics for the increasingly mobile and virtual workplace.
